Nominations Due At Monday Meet

The nominations assembly for the executive council of 1959-60 will be held Monday, Feb. 2, at 1 p.m. in Campbell hall auditorium. Introductory speeches will be given by President Roy E. Lieualien; Dr. Arthur Glogau, dean of men; Miss Virginia Kempston, dean of women; and Mr. Ellis A. Stebbins, director of business affairs.

Candidates can be nominated from the floor or by petition. The petitions can be obtained from Len Tabor, 2nd vice-president, and they must be returned to him by 4 p.m. on February 4.

The campaign speeches will be held at 8 p.m. on Thursday, Feb. 5, in the recital hall of the music building. Each candidate is responsible for obtaining his own campaign manager to put up publicity and to introduce him at the time of his speech.

The primary elections will be Feb. 10 and 11. Final balloting will be held on Tuesday and Wednesday, Feb. 17 and 18.

Directors Evaluate Teacher Education

Approximately 20 Oregon school district superintendents met with the directors of OCE's various departments January 29 to discuss and evaluate OCE's teacher education program, stated Dr. Water Snyder, director of teacher education.

Those from OCE were Dr. Roy Lieualien, president; Mr. Henry Tetz, director of student teaching; Dr. Jane Dale, director of humanities department; Dr. Anton Postl, director of the science and mathematics department; Dr. Milton Charles, professor of social science; Dr. Walter Snyder, director of teacher education; and Dr. Floyd Albin, director of general education.

Following lunch at Maaske hall, the group went to the library lounge where they were divided into sections of from six to eight persons to discuss each department separately. The results of the meeting will be written up and distributed to the faculty members, said Dr. Snyder.

Dr. Means To Speak At IRC Meeting Mon.

Dr. Ingunn Means, instructor of social science, will speak about Norway at the IRC meeting at 7 p.m. on Monday, Feb. 2, in Ad. 208.

Those members of IRC who wish to order their pins should contact JoAnn Lumas as soon as possible.

The responsibility for the nomination and election of a capable and efficient executive council rests with every member of the student body. Give serious thought to your choice of officers and then back them. The only way we can have a representative council is to have everyone vote.

Sweetheart Ball Will Feature Band From Pacific Univ.

The annual Sweetheart Ball, sponsored by Wolf Knights and Collecto Coeds, will be held Feb. 7 in a beautifully decorated OCE gymnasium.

Couples will be put in a dancing mood by the "Stardusters" from Pacific university—a favorite dance band around OCE.

A Wolf Knight "Sweetheart" and a Collecto "Sweetheart" will be chosen by the two clubs. The two "Sweethearts" will be announced at intermission of the dance. Last year H. T. Walters was Collecto Coed Sweetheart and Bev Bluhm was the "chosen" Sweetheart of Wolf Knights.

This will be a "no-corsage" event—so come on men, and ask your favorite sweetheart! Admission is \$1.25 a couple.

Committee chairmen for the dance are: Dean Brown, Darlene Ferres, general chairmen; Ray Marikawa, Jean Richmond, decorations; Jim Santen, Evelyn Johanson, refreshments; Bill Benner, Pat Pitardi, invitations and programs; Gary Covey, Mary Fawver, publicity; Joe Higgins, Stan Kenyon, clean-up.

Best Dressed Coed To Be Announced Fri.

Friday the 13th of February will be a lucky day for one OCE coed. On that day the Lamron will announce the winner of the "best dressed girl at OCE" contest.

All girls interested in this contest, sponsored by Glamour magazine, should submit a photograph and an inventory of their wardrobe to the Lamron.

The winner will be selected by a secret faculty-student committee, based on the following criteria set by the magazine:

1) Hair, 2) figure, 3) imagination in managing a clothes budget, 4) grooming, 5) appropriate campus look, 6) clear understanding of her fashion type, 7) individuality in her use of fashion color, accessories, 8) workable wardrobe plan, 9) make-up, 10) off campus dress.

Dr. Albin Invited To CGT Feb. 27-28

Dr. Floyd B. Albin, director of general education, has been invited to participate in the Conference of College Teaching, Feb. 27-28 as part of the Centennial program at Oregon State college, according to Dr. Albin.

This program will be sponsored by OSC with the cooperation of the colleges and universities of the state. It will be open to all students and faculty members.

Dr. Albin will be one of five faculty members on the Question Box panel to answer any questions that those attending the conference might raise.

Lee Weaver To M.C. Choir Program

Plenty of entertainment and fun for everyone takes place tomorrow evening as the OCE choir presents "The Mardi Gras."

NOTICE!

Any students interested in taking "Quantitative Analysis" (Ch. 312) spring quarter, please check with Dr. Postl or Mr. Jaffer as soon as possible.

Edling Will Speak At A-V Conference

Dr. Jack Edling of OCE will be one of the principal speakers at a Northwest College Audio-Visual Aids conference in Portland Feb. 2 and 3.

A "Background of Research" in audio-visual aids will be his topic at a session Monday afternoon.

He will also head a panel to determine what research is needed. The viewpoints are that of a college administrator, Morgan S. Odell, president of Lewis and Clark; a college professor, Frank Chipps, Pacific; and an A-V director, Donald Brumbaugh, University of Utah.

The National Defense Education Act has made possible more research, and this meeting is designed to stimulate and direct this research, according to Dr. Edling.

Dean Brown Appointed As Financial Secretary

The ASOCE financial secretary for the 1959-60 school year will be Dean Brown, 20, of Salem.

Brown will replace Bill Benner following the Awards Banquet in late Spring term. The selection was made by the student council on January 19.

This year Brown, a junior, is assembly commissioner and the business manager for the band. He is also a member of the band, choir, and the male octet.

Play Tryouts Set

Tryouts for three one-act plays sponsored by Alpha Psi Omega will be held Tuesday from 4 to 5 p.m. and from 7 to 8 p.m. in room 224 of Campbell hall. Interested persons are invited to attend.

This "dry" night club will feature delicious refreshments and an exciting program. Highlighting the stage show will be the "Fidgety-Five" combo. Other entertainment comes from Central, Dallas and McMinnville high schools as well as a musical group from SOCE. "The Harmonettes," a well known girls' singing group from Salem, will offer several selections. From North Salem high comes Jerry Lambert and Gary Beck who are widely known for their unique magic act which is "guaranteed to leave you mystified," according to Denny Ermel, program chairman.

No such program is complete without the EmCee, and this year's "Mardi Gras" presents the finest, Lee Weaver. Maestro of comedy and entertainment, he will be adding to the fun of the evening with his pantomimes and humor.

Tickets may be purchased at the door to the gymnasium just before show time at 8 p.m. on Saturday, January 31.

Card Party Set Next Friday Eve

A card party for students and faculty members will be held on February 6 at 7:30 p.m.

Tickets may be purchased for 35 cents in the Alumni office and entitle the participants to refreshments and prizes. Those attending are asked to bring their own cards.

This all-campus function, which is the first of its kind at OCE, is sponsored by the Alumni Association. Mrs. Lois Vanderpool, past president of the organization, is general chairman.

PROF BLACK LIST . . .

Dr. John Bellamy, Assoc. Prof. of humanities, willingly placed himself on our blacklist this week for threatening to violate Rule No. 1, scheduling an exam on a prohibited day.

Dr. Francis Haines, professor of history, made the list by depriving his students of two lectures and compensating by assigning additional reading for his classes.

HAWAIIAN STUDENTS . . . Pictured on left will be one feature of Saturday night's Mardi Gras. Upper (left to right) are Amy Kawamura, Arleen Iwamoto, and Annette Nakamura. Lower left is Linda Kaneyama and Janet Sakamoto. Master of ceremonies, Lee Weaver (right) will both entertain and "M-C" with his personable wit.

TOMAHAWKS POLISHED

It seems the Lamron has done it again. This time some of the wonderful faculty at OCE have polished their tomahawks and you, our readers, are the target.

The little two and a half inch article, "Professors Beware," that appeared in last week's issue struck some profs as a dare, a thought that never entered the author's mind. Rather, it was intended as a joke. You know, keeping students posted on the activities of other classes and instructors and everyone was to guffaw loudly.

However, if our profs can't take it in the spirit it was intended we'll throw out the whole idea.

Two points the article listed have been traditionally held in the past by the administration with the cooperation of the faculty and little dissention had ever developed. However, in the past year some of the faculty have made it a policy to give exams the week previous to finals. This is felt to be bad policy by some of the students and many of the faculty. The Lamron has made no unusual demands.

Mr. Robb asked what a "major activity" was. A student replied, "getting up in the morning."

Now that's not what we meant and you know it. Homecoming, the All American Formal, the Sweetheart Ball, affairs of this sort are major events. Besides, aren't there as many Wednesdays in a week as Mondays and Fridays? This whole affair is beginning to border on the ridiculous.

Audio-Visual Dept. Produces OEA Film

"Tools for Survival," a film produced by OCE's audio-visual aid head, Dr. Jack Edling, and Charles Callachi, is now available throughout the United State via the OEA.

KOAC-TV, Corvallis, telecast the original kinescope on Jan. 12 at 7:30 p.m.

The film is especially suited to elementary and secondary school administrators and teachers, in addition to audio-visual aids classes and PTA groups.

The 22-minute film shows the wide scope of audio-visual aids, and the need for an A-V coordinator in every school building.

In Oregon, "Tools for Survival" may be obtained through the OEA in Portland.

Dr. Edling suggested that the film may be shown in OCE's audio-visual aids class next term, near the beginning.

Theta Delta Phi Meets

President Roy E. Lieuallen discussed his two-day visit in Washington, D.C., Jan. 15 and 16, for the joint meeting of the National Education Association and the National Council of Parents and Teachers at the Thursday noon meeting of Theta Delta Phi.

Dr. Lieuallen told the men's honorary of the various issues confronting the Washington meet and referred to the NEA attempt to make its purposes and activities known on a broader national scale. He also discussed his short stay in Little Rock, Ark., where he visited before his return to Oregon.

Bill Benner, fraternity member, was appointed chairman of a committee to arrange the honorary's coming initiation ceremonies. As yet, no date for the initiation has been set.

TO THE EDITOR:

Sir:

I wish to report that I have scheduled an examination in an American Literature class for Thursday, March 12. Since this is the last meeting of the term before examination week, the examination is clearly in violation of the rule quoted in last week's issue.

Please spell my name correctly. JOHN E. BELLAMY, Assoc. Professor of Humanities P.S. Would it be possible for you to furnish me a definition of "major campus activity?" I keep associating the term with the classroom, but this is probably an archaic notion.

Dr. Thompson To Tour Europe and Japan

Dr. Matthew R. Thompson, associate professor of science and mathematics, will tour Europe and Japan on his Sabbatical leave throughout the spring and summer.

He and his wife, Helen, are scheduled to leave New York by ship on March 26.

They plan to work as a team, his wife studying general practices in grades one, two, and three of foreign schools, and Dr. Thompson concentrating on elementary school mathematics methods — both in elementary schools and in teachers colleges.

Dr. Thompson plans to bring back some of the European and Japanese textbooks, movies, recordings, and other audio-visual aids material.

Until the latter part of June they will travel throughout Europe, then a ship will take them from Marseilles, France, to Japan.

In Japan, Dr. Thompson has numerous contacts, two of which are former OCE students: Akihiro (Aki) Mitoma and Mrs. Nat-su Tanahashi.

After docking in Norway they will travel through Scandinavia and Russia. In Germany, their next stop, they plan to buy a Volkswagen to tour southern Europe in.

Dr. and Mrs. Thompson plan to return sometime between Aug. 25 and Sept. 1 — in time for Mrs. Thompson to teach at the Independence elementary school.

The main duties of the committee will include recommending and coordinating production of films, slides, tapes, pamphlets and other graphic material at OCE.

Wolves Draw With EOC

OCE withstood a late second half rally by Eastern Oregon and squeaked by the Mountaineers 58-57 to gain its first conference win here last Friday night.

Dennis Spencer and Don Sherk led the Wolves during the first half as they established a comfortable 35-23 lead. Spencer picked up an even dozen counters while Sherk tallied nine.

EOC bounced back during the second period and with less than three minutes remaining came to within three points of the Wolves at 56-53. Spencer dunked OCE's final two-pointer and the Wolves held on for the victory.

Scoring honors were captured by EOC's Tom Neel with 19 points. Spencer was high for OCE with 16 followed by Larry Nye's 15 points.

OCE hit at a .396 clip as they collected 23 of 58 field goal attempts. Eastern Oregon wound up with 24 of 64 for a .388 average. The Mountaineers were favored in rebounds 41-32.

EOC avenged its Friday night loss to OCE by whitewashing their hosts 63-50 to gain a split in the two-game series.

The Mountaineers bounded back Saturday evening on the strength of 18 point performances by Tom Neel and Larry Howard. EOC found the range early in the first period and by half-time were safely out of reach at 39-19. OCE had little luck during the first 20 minutes and collected only seven field goals during that time.

The Wolves were far from whipped as they came back after intermission. Dennis Spencer hit on seven successive long one-

Grapplers Ready For Pioneers

The unbeaten OCE wrestling squad will seek its fifth straight victory this Saturday at 2 p.m. when it travels to Portland to face Lewis and Clark on Palatine Hill. This match was originally scheduled to be held at Monmouth but was switched to Portland because of conflicting campus activities.

Ken Cumiskey's squad will face the Pioneers without the services of co-captain Phil Atkinson who was injured last week against the University of Washington. Stewart Bye will replace Atkinson in the 130 pound division.

Leading the LC squad will be Keith Schrock, a 115 pound mighty-mite who last year was Pacific Coast Conference champion in his weight division. LC also boasts freshman Pat Clock who in 1957 captured the high school heavyweight championship of Oregon.

Making the trip to Palatine Hill will be an eight-man squad consisting of Duane Kent, Stewart Bye, Kevin Morse, Tony Cutsforth, Art Krueger, Francis Tresler, John Linn and Jerry Pond.

JV Squad Outclasses Silverton Church Club

Ted Bennett's JV squad, led by Don Pillar and Al Harter, completely outclassed Silverton Christian Church 64-41 in the preliminary contest here last Friday evening.

The JV's rolled to a 33-20 half-time advantage and were never in danger throughout the remainder of the contest.

Pillar picked up 14 points for honors while Harter contributed 13 to the JV's cause.

NOTICE!

The OCE wrestling team will host the University of Oregon here next Tuesday, February 3, at 6 p.m. prior to the junior varsity basketball game.

OCE put up a good fight against Portland State's pace-setting Vikings but ran out of steam midway in the second period and were finally beaten 49-41 in a game played Tuesday night in Portland at the Lincoln high school gym.

The score was tied seven times during the first period as Dennis Spencer and Don Sherk scored consistently on long shots for the Wolves. With 51 seconds remaining in the half Spencer hit two free throws to give the OCE

squad a 25-23 intermission lead.

With slightly more than four minutes gone in the second period the Vikings took over the lead 28-27 on a long push-shot by John Fredrick. The Wolves scored again but fell behind 33-29 and then went 12 minutes without a field goal. During this scoring famine the Viks poured it on and amassed a 47-35 bulge which proved too much for OCE to overcome.

For OCE Sherk topped the scoring with 14 points on six field goals and two charity tosses. He was followed by Spencer with 12 points. PS was led by John Winters with 13 and Don Bridges with 12.

Percentages showed that both teams were cold from the floor as OCE hit 16 of 54 for a .296 average and PSC collected 20 of 68 for a .294 from the field. Portland State held the edge in rebounds at 54-39.

In the preliminary contest the Portland State JV squad came back during the second half to defeat the JV's from OCE, 62-51. OCE led at halftime 25-18. Jack Weeks and Al Harter each picked up 11 points for the OCE JV's followed by a 10 point performance effort by Don Pillar.

OCE Invades OTI For Weekend Tilts

OCE's Wolves will take part in the battle to stay out of the Oregon Collegiate Conference cellar this Friday and Saturday night when they call on the Oregon Tech Owls at Klamath Falls. Game time is scheduled for 8 p.m.

The Owls and Wolves sport identical league records of one win and five losses and will be out to improve their standings. Each team has lost twice to SOC and PSC plus once to EOC. Both have scored a lone win over EOC. Statistics indicate that the two teams are reasonably equal in all departments and this

handed field goals during the first 10 minutes of the period to bring the Wolves to within 11 points of EOC at 51-40. However the Mountaineers continued at a torrid pace and were able to maintain their early lead for the victory.

Neel and Howard topped the EOC scoring with 18 points each, followed by Frank Chase with 11. Gary Henry hit six field goals and four charity shots to lead the OCE scoring with 16 points followed by Spencer with 14.

EOC shot at an even .400 from the floor. The Wolves settled for a frigid .295. OCE led in the rebound department, grabbing off 44 while EOC had 37. Ken Johnson led the Wolves in rebounding with 15.

OCE won the JV game 64-46 over Cedar Canyon Fur Farm from Milwaukie. Al Harter was the top OCE scorer with 19, followed by Frank Colburn and Jack Weeks with 16 and 12 points respectively.

Miller's Mumblings ...

by Gale Miller

It has been brought to my attention that the junior varsity basketball team hasn't had too good attendance at their games. They have a fair season record and have triumphed over two independent basketball teams—Silverton Christian and Cedar Canyon Fir Company of Milwaukie. The Silverton team came here last week with an unblemished record and were beaten decisively.

The JV's are led by Al Harter, 6'8" center, Frank Colburn and Don Pillar, forwards, and Jack Weeks and Ron Jolma, guards. They play a fast brand of basketball featuring the hookshot of Al Harter and excellent ball handling by Jack Weeks. Ted Bennett has done a fine job with these boys and they well deserve your support at their home games.

The varsity basketball squad has been plagued in its last few games by not being able to score consistently throughout the contest. Take last Tuesday's game with Portland State for example. OCE led at halftime 25-23 but came out cold in the second half. With 13 minutes left in the game the Wolves went 12 minutes without scoring a field goal. The free-throw shooting could have made a difference also. OCE hit only 9 of 20 gift shots. Nobody can say what the cause is but we are confident that the team is working on these defects and on February 10, when Portland State comes to town, they might just be in order for a licking!

Tonight the Wolves open a two-game series at Klamath Falls with the Owls of OTI. The Wolf Pack needs two wins here badly to keep from ending up in the cellar.

should be a series in which fur and feathers will fly.

In conference play the Wolves are led in scoring by Dennis Spencer with 67 points for an 11.2 average. Gary Henry is next with 53 counters for an 8.8 average followed by Larry Nye with 45 points. Ken Johnson is the leading rebounder with 62.

The starting lineup for Friday nights game will be Don Sherk and Nye in the guard positions, Henry and Spencer at forwards, and Johnson at center.

Ted Bennett's JV squad is scheduled to tangle with Lebanon high school next Tuesday at 8 p.m.

Three Teams Pace Intramural Race

Another week of intramural basketball has been completed and all three league leaders maintained their perfect records.

In the Cuban league it is still the Salem Cyclones leading the pack as they notched two victories last week to give them a four win, no loss standing and a two-game bulge on their nearest competitors. The Sexy Six is undisputed in the Venezuelan league and they racked up three more wins and now stand at five wins and no losses. In the Puerto Rican league it is still the Road Runners led by Barry Adams. They grabbed off three more victories and hold a six and zero record.
